Davidson, North Carolina

DEPARTMENT OF PHYSICAL EDUCATION
AND ATHLETICS

January 12, 1965

Mr. Lance Compa
231 West Avenue
East Rochester, New York

Dear Lance:

I want to thank you for returning your questionnaire, and I hope you are going to give Davidson serious consideration as the school to further your education and basketball career.

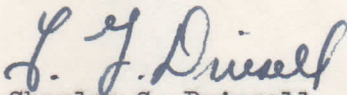

We are sending you a catalogue, application for admission and other information about Davidson, which I hope you will study carefully. You will note that Davidson ranks as one of the top academic schools in the country. It is one of the few very fine academic schools which offer basketball scholarships, and we are considering you for one of these scholarships.

We feel our basketball program is one of the best in the country. Last year we were ranked as one of the "top 10" teams in the country in the final A.P. and U.P.I. polls.

We are looking forward to visiting you and seeing you play during the season.

Please keep us informed about your interest in Davidson, and let me know if you have questions or would like additional information.

Sincerely yours,

Charles G. Driesell
Head Basketball Coach
