Dear Coach,

The editor and publisher of HIGH SCHOOL BASKETBALL ILLUSTRATED magazine takes pleasure in informing you that LANCE COMPA has been selected as one of the East's top high school basketball players and will be featured in the first issue of HSBI REPORT, our new scouting service for colleges and universities from coast to coast.

In order for us to obtain the desired information it is necessary for you and/or your player to complete the inclosed questionnaire and mail same back to us at your earliest possible convenience. Some of the info on the inclosed form will be needed for our initial report no later than Oct. 5th.

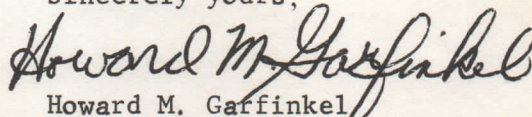

Our subscribers include some of the countries biggest basketball powers and finest scholastic institutions. In addition we have contacts with most of the major Mid and Southwest junior colleges for the placement of the below average student who is an outstanding prospect.

HSBI REPORT will limit itself to Eastern players only, and could considerably enhance the scholarship potential of your star players, as well as broadening their future college selections. We believe our series of reports may also put you in direct contact with college coaches you would not ordinarily reach, thereby obtaining extra exposure , and a chance of financial aid, for some of your less publicized boys.

It is imperative to the success of this venture that our questionnaire be filled out as accurately and completely as possible. I'm certain you realize that our 25 weekly reports cannot carry the desired impact without your full cooperation.

Hoping we can be of service to you in the near future, and greatly appreciative of your help in this matter, I am,

Sincerely yours,

Howard M. Garfinkel
Editor and Publisher

P.S. Should your player have no eligibility for the '64-65 season kindly return the questionnaire and mark it accordingly. Thank You.
